

# Chicago Toy & Game Week

Presented by Chicago Toy & Game Group, Inc.

## On-Site Event Management Internship

### About ChiTAG Group

We are the Chicago Toy & Game Group, but you can call us the ChiTAG Group. November each year, we produce a week packed with events that celebrate play, and the inventors who make toys and games! The ChiTAG Group is a family of industry initiatives designed to encourage and promote the power and joy of invention in social, educational, and professional environments.

**Mission:** To build community through play by providing opportunities for friends, kids, family to connect with one another and experience the joy and value of play

**Our offering:** ChiTAG Week is the only event of its kind that brings together the public with play innovators and the media. As part of the week there are three offerings:

- Conference
- Awards
- Fair

### About the Internship

On-site event activation is an adrenaline rush! Want to try your skills at the following during our events to build your portfolio?

- Social Media
- Photographers and videographers
- Event Management On-Site – wear your running shoes! Just kidding, but it is busy. You learn to stay calm so others do as well!
- Working with the ChiTAG Event Manager
- Working with the ChiTAGers and volunteers to run the events (if you have a preferred one please let us know)

**Intern Philosophy:** We have a wish list of projects we would like to see come to life, but we also encourage you as our prospective intern to make suggestions, to play to your strengths to collaboratively evolve the project that you will work on with us. This is a partnership to promote play and you must be a self-starter and motivated.

**Timeframe:** We are flexible in terms of days and hours.

**Location:** We are flexible with your location of work. We would like to meet once a week during your internship. We have found this way of working to deliver a better experience for our interns and the best results for the work.

**Apply:** [HERE!](#)
